

## Charter for Event Listing - Non Member Advertising

The Australian Sustainable Built Environment Council (ASBEC) is the peak body of key organisations committed to a sustainable built environment in Australia.

ASBEC members consists of industry and professional associations, non-government organisations and government observers who are involved in the planning, design, delivery and operation of our built environment, and are concerned with the social and environmental impacts of this sector.

ASBEC's objective is for Australia to be a leader in reducing ecological impacts, improving economic returns and extending community amenity of the built environment through mainstream sustainability.

ASBEC's website attracts visitors both nationally and internationally and is fast becoming a place where ASBEC's members choose to place their event listings.

Events can be listed on the ASBEC website++ if;

- they are affiliated with ASBEC values
- the event is promoting sustainability in the built environment.
